Digital Account Opening in Minutes

FinXperience Banking

Why not make it easy? Enter some information about yourself, provide proof you are who you say you are, and fund the account. Creating a successful digital account opening process should not be done from a regulatory compliance perspective. Let us help you think outside of the box.

Why FinXperience?

Advantages of Using FinXperience as your Digital Account Creation Platform

- ❖ Clean and effective process design
- ❖ Customized user experience
- ❖ Data capture simplification
- ❖ Immediate account funding
- ❖ Streamlined eSign experience
- ❖ Instant decisioning
- ❖ Significant decrease in application abandonment
- ❖ Easily integrates with your existing digital ecosystems
- ❖ **Account opening in less than 5 minutes**

Restructure your digital account opening with FinXperience

The reality is, it takes very little information to actually open an account.

FinXperience's personalized touch will open your doors to the simplest account opening and funding possible, while also reducing risk and satisfying regulation.
